

Caterham ‘Super Six’ Raise Almost £500 for Children’s Charity

Caterham: 26th September, 2007 – A team of six from the Caterham-based IT recruitment company Highams Group raised £465 for the Rainbow Trust Children’s Charity by taking part in a Karting Race on Sunday (23rd). Highams staff came fifth out of the eight teams that took part in the three-hour Endurance Race at Buckmore Park in Kent

Dave Pye, CEO of Highams said: “We may not have won on the day but we raised an impressive amount of money for the Rainbow Trust which offers emotional and practical support to families where a child is diagnosed with a life threatening or terminal illness. Of course, we had a lot of fun in the process and one of our team, Eoin McDonagh achieved the fastest lap of the day managing 82mph and just 3.52 minutes to complete a lap.”
